MEMORANDUM FOR: Executive Director

FROM: EA/DDCI

Chuck,

Since the attached was a little confusing, I asked Harry to clarify. He was just as confused, noting that this "talk" never took place. At any rate, would you tuck this into whatever you are coming up with for suggestions for the Grace Commission's (President's Private Sector Survey on Cost Control in the Federal Government) efforts to save money.

MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: Elimination of Inefficiency, Waste and Abuse

Harry Fitzwater dropped in for a talk last evening and brought this memo to crystalize some of the things that came out in our conversation. I leave it to your discretion as to how to follow up and send it along for additional ideas, particularly looking for outside expertise where appropriate, to other members in the Community.
